

Moberly School District 2018/2019
Winter Snow Route Blacktop Stops

If inclement weather occurs, the Moberly School District may need to implement snow routes only for bus transportation.

This decision will be communicated through Social Media, Spartan Text Alert, and local media outlets. Below is a list of county road bus stops that would be changed to the listed alternate stop. If your bus stop is not listed, your route will not be altered. Please understand buses may run slightly early or be delayed due to the weather and alternate stops. If you have any questions, please contact the bus barn at 660-269-2699.

Please make sure you go to the safest black top location as buses will not go down county roads in inclement weather. To sign up for Spartan Text Alerts go to the Moberly School District web site at www.moberly.k12.mo.us or click on this link [Moberly Spartan Text Alert Sign-up](#) Please ensure your phone number and email address are current with your child's school for receiving school communications.

Current stop on County Road 2505 -- Alternate stop Hwy AA and County Road 2505

Current stop on County Road 2285 -- Alternate stop Hwy AA and County Road 2285

Current stop on County Road 2270 -- Alternate stop Hwy BB and County Road 2270

Current stop south of County Road 2230 on County Road 2250 -- Alternate stop Hwy BB and County Road 2250

Current stop on County Road 2455 or County Road 2260 -- Alternate stop Hwy BB and County Road 2455

Current stop on County Road 2275, 2280, 2290, or 2295 -- Alternate stop Six Mile Lane and County Road 2275
