Re: Daily COVID-19 Bulletin

Dear Parents and Guardians,

The District has been notified of two new COVID-19 positive cases in the district. **It is important to mention that all "close contacts" related to these cases have already been contacted for quarantine:**

Two high school students tested positive for the coronavirus. As a result, 31 high school students have been identified as close contacts to these new cases and have been contacted/quarantined accordingly.

Your support of appropriate social distancing, mask wearing, frequent handwashing, and keeping kids home *when they are quarantined, sick or have symptoms of COVID-19* is greatly appreciated!

**Remember: if anyone in your household tests positive for COVID-19, please contact the Randolph County Health Department for instructions before sending your child/children to school.**

Sincerely,

  
Timothy J. Roling, Ed.D.  
Superintendent
