

# MOBERLY SCHOOL DISTRICT LEGISLATIVE PLATFORM 2020

## PRIORITIES

Oppose legislation that moves school board elections from April to November.

Support funding to ensure adequate resources for all districts to meet state and federal standards.

Oppose any legislation authorizing vouchers, tuition tax credits or deductions or other similar programs that erode support for public schools.

Support legislation that enhances effective local control of public schools.

Support changes to Missouri's rules and regulations to allow maximization of federal Medicaid revenue to school districts and full federal funding of school-based Medicaid services.	Support legislation that will provide adequate funding and support to all school districts to offer quality voluntary pre-kindergarten programs and consolidate the responsibility to one state agency, dese.
Support legislation to strengthen mental health resources in schools.	Support enactment of legislation to ensure a safe educational environment for all children.
Oppose inter-district choice legislation that erodes local control.	Oppose legislation that removes curriculum decision regarding virtual classes from the local level.
Support the expansion of and access to high capacity broadband internet services throughout Missouri, with an emphasis on rural development of broadband.	Support legislation to ensure future solvency of the public school and public education retirement systems while continuing as an independently managed system.
Support legislation that enhances effective local control of public schools.	Support legislation that allows districts to establish their own teacher/administrator evaluation model.
Support legislation that increases bonding capacity in school districts.	Support legislation to require all charter school board members to live in the school district where the charter school is located.
Support legislation that increases accountability and oversight of charter schools.	Support legislation that indemnifies school boards from lawsuits.
Oppose legislation that removes curriculum decision regarding virtual classes from the local level.	Support legislation that reforms tax credits.
