Super Grant Terms and Conditions

GRANT CRITERIA:

Applicants must be full-time faculty members employed by the Moberly Public Schools. Faculty members are limited to one Super Grant application, and joint grants count as one application for each person involved. Super grant funds may be spent for technology, equipment, educational resources, events and project specific materials.

GRANT AWARD:

Requests must be a minimum of \$300 and will not exceed \$1,000. Two or more teachers may collaborate to write one Super Grant request, but the sum will not exceed a maximum \$1,000 per classroom.

For example, three classrooms may collaborate on one project and submit one grant request. The entire project may receive \$3,000; a \$1,000 max for each classroom involved in the project.

GRANT CONSIDERATIONS:

Teachers should propose a project they want to do with their students but are unable to consider because of cost. Consideration will be given to applications that enhance classroom learning, sponsor dynamic programs or involve special learning events. Innovation and collaboration is also encouraged. Super Grants will be considered from any and all instructional areas.

GRANT DETERMINATION:

Moberly Public School Foundation board members will review the applications based on the above criteria. The MPSF Board may ask additional questions regarding the application, to be answered by the applicant or other school officials. The final decision is the full and entire prerogative of the MPSF Board. Awards will be announced by a personal visit from MPSF Board members, followed by a letter outlining the Grant's specifications and requirements. After grantees are contacted, the media will be notified of the MPSF Board's decisions.

GRANT REQUIREMENTS:

Award amounts will be for projects executed during the 2019/2020 school year. All funds must be spent or accounted for by May 20, 2020.

Grantees are required to submit a report of their project to the MPSF by May 30, 2020. Successful project reports will be used by MPSF to demonstrate effectiveness as they seek funding for future classroom projects.

GRANT FUND DISBURSMENT:

Funding for the Super Grant program is provided by revenue from the Major Savor card sales, and tax-deductible donations to the Moberly Public Schools Foundation. Payment will be made directly to the grant recipient. A tax-exempt letter will be provided to be used when you purchase your item(s). Once you receive your item(s), submit a copy of the receipt along with your name to the attention of the Superintendent at Central Office.
