

Safe Return to In-Person Instruction and Continuity of Services Plan

2021-2022

***These Safe Return to In-Person Instruction and Continuity of Services Plan (SRCSP) procedures and guidelines are based on how the district intends to operate during the 2021-2022 school year. The focus will be based on how the school will ensure continued safe operations to maintain the health and safety of students and staff.*

MOBERLY SCHOOL DISTRICT #81 RETURN TO SCHOOL GUIDANCE

In collaboration with the Randolph County Health Department, the families of our students via survey, staff input via survey, consultation with healthcare providers, as well as guidance from the Center for Disease Control (CDC), the American Academy of Pediatrics, and the Department of Elementary and Secondary Education, this plan was developed to safely and effectively re-open our schools on August 24, 2021. The safety of our students and staff are paramount, and implementation of this plan was developed by what is feasible, practical, acceptable, and tailored to the needs and context of the Moberly community.

Plan Development for Re-entry and SRCSP Planning

The Moberly School District was able to utilize the district's Summer 2020 Re-entry Plan to successfully start school on August 25, 2020 last year. School re-entry and re-opening documents provided an opportunity to review practices and policies. The SRCSP document offers guidance on how the district will consider approaching the continued operation of our schools and facilities during the 2021-2022 school year. These guidelines along with coordinated approaches will assist to *safely* continue academic, extracurricular and athletic activities. Aligning these with district strategic goal areas allows for encompassing all planning aspects. This document is intended to hold hope for the best as we continue safe operations to maintain the health and safety of students and staff.

The Moberly School District is excited to begin the 2021-2022 school year on August 24, 2021 with students. Students will continue traditional face-to-face classes during the 2021-2022 school year. There were several safety measures in place when students returned to school in August 2020. You will see that some of the safety measures implemented during the 2020-2021 school year will continue to be in place for the 2021-2022 school year. The Moberly School District will make every effort to minimize contact to COVID-19 and other communicable diseases; however, attending school will inherently introduce a greater risk of exposure.

The Moberly School District plans on moving forward with school on August 24, 2021 unless the federal, state, county, or local health departments require us to close. Procedures may or can be modified at any time. It is impossible to plan for every scenario and situation. The Moberly School District collaborates with the Randolph County Health Department, Missouri Department of Health and Senior Services, the Missouri Department of Elementary and Secondary Education, the Governor's Office, and Center for Disease Control.

The 2020 Original Re-entry Planning Team collaborated to develop plans for the 2020-2021 school year. This team provided input in original planning and was given the opportunity to provide input on the SRCSP Plan prior to publication on June 23, 2021.

The focus will be based on how the school will ensure continued safe operations to maintain the health and safety of students and staff.*

Mitigation and Prevention Strategies

This is not a complete list of mitigation and prevention strategies the District may access during the 2021-2022 school year... The District will implement mitigation and prevention strategies as necessary to address the district's needs, or as determined by the Randolph County Health Department.

Mitigation and Prevention Strategies	District Response (In collaboration with the Randolph County Health Department - RCHD)
Universal and Correct Wearing of Masks	<ul style="list-style-type: none"> ➤ There is not a school or county mask mandate ➤ Masks are allowed
Physical Distancing	<ul style="list-style-type: none"> ➤ Classrooms that have desks, students will be spaced with as much room between them as possible. ➤ Large gatherings are discouraged for long periods of time; (ie: bus services will only be provided to students who live at least one mile from school; three lunch shifts; ticketing for events as necessary; limited outside guests; non-essential visitors will not be allowed in the school)
Handwashing and Respiratory Etiquette	<ul style="list-style-type: none"> ➤ Hand-sanitizing stations are installed in classrooms and the hallways to accommodate frequent use. ➤ Water bottle filling stations will be installed throughout the district. All students will be provided a reusable water bottle. ➤ Classrooms with desks, students will be spaced with as much room between them as possible.
Cleaning and Maintaining Healthy Facilities, including improving ventilation	<ul style="list-style-type: none"> ➤ Thoroughly ventilate, clean and then disinfect all buildings, desks, food preparation/service areas, equipment and other surfaces prior to students returning, using CDC and OSHA guidelines, as well as any guidelines or tips provided by the RCHD. ➤ A time schedule and cleaning schedule (revised maintenance and custodial schedules to focus on high touch/high traffic areas) for effectively cleaning and disinfecting buildings

***These Safe Return to In-Person Instruction and Continuity of Services Plan (SRCSP) procedures and guidelines are based on how the district intends to operate during the 2021-2022 school year. The focus will be based on how the school will ensure continued safe operations to maintain the health and safety of students and staff.*

	<p>and facilities once students return for extracurricular activities or academic learning.</p> <ul style="list-style-type: none"> ➤ A quick checklist was created for building staff to support the maintenance and custodial cleaning schedule. All classrooms will be provided sanitizer and paper towels. ➤ Clean and disinfect all work areas, counters, restrooms, doorknobs, etc. several times daily. ➤ Clean/disinfect student desks, keyboards as often as possible ➤ Clean work out equipment/sports equipment frequently and between transitions. ➤ Create a plan to increase frequency during flu season and if there are increased incidents of COVID-19 exposure in the area or in the school community
Contact Tracing and Quarantine	<ul style="list-style-type: none"> ➤ The District will maintain a room in the nursing services office for quarantine ➤ The District collaborates with the RCHD to perform contact tracing and quarantine activities.
Diagnostic, Screening, and Testing	<ul style="list-style-type: none"> ➤ The District provides all families with information provided by the RCHD regarding screening. ➤ The District maintains a room for quarantine of any student demonstrating symptoms and waiting to be pick-up from school
Efforts to Provide Vaccinations to Educators, Staff, and Students, if eligible	<ul style="list-style-type: none"> ➤ The District collaborates with the RCHD to assist in distribution of information regarding vaccination.
Appropriate Accommodations for Children with Disabilities with Respect to the Health and Safety Policies	<ul style="list-style-type: none"> ➤ Accommodations as necessary or as mandated by the Individualized Education Plan. ➤ Form G Continuity of Services is included in the IEP for each student.

***These Safe Return to In-Person Instruction and Continuity of Services Plan (SRCSP) procedures and guidelines are based on how the district intends to operate during the 2021-2022 school year. The focus will be based on how the school will ensure continued safe operations to maintain the health and safety of students and staff.*

Continuity of Services

Teachers will use this information to guide instruction and address the Missouri Learning Standards during the 2021-2022 school year. The district will continue to provide Chromebooks to all students in grades K-12 and teachers during the 2021-2022 school year. The District also provides two locations outside of school for accessing WI-FI at all times.

The district will continue to provide social emotional support to students and staff as needed. School counselors will continue to utilize Second Step social emotional learning in planned lessons.

If needed, a copy of the plan will be provided in the language of your choice.

Periodic Revision

This SRCSP will be reviewed at the District Leadership Team Meeting on November 1, 2021 with updates and revisions to be finalized by December 22, 2021. The plan will be reviewed again in the spring, updates and revisions will be finalized by June 20, 2022. Periodic revision will continue for the life of the plan dependent on current public health needs.
