Under the Federal No Child Left Behind Act of 2001 (NCLB), this option of after-school tutoring by an approved provider is available to parents of eligible children that attend a Title I school in School Improvement Level 2, and every year thereafter the building is in School Improvement status.

Public School Choice

The Moberly School District has 1 building in Title I School Improvement, Gratz Brown Elementary. We have single attendance centers (no other elementary and middle school with the same grade span); therefore, we cannot offer the School Choice option.
