

FRESHMAN JUMPSTART

Freshman Jump Start!!!

At Moberly High School, along with our partners in education at Wells Fargo, we have developed a new program for all incoming MHS freshmen to assist them in their transition to high school. MHS teachers, administrators, and staff are dedicated to providing our ninth grade students with a proactive and positive introduction to high school. The Freshman Jump Start program is designed to give students the tools and supports needed to get the year off to a great start and reduce the anxieties that come along with entering a new learning environment. During Freshman Jump Start students will have the opportunity to meet their peers, work with teachers, get prepared for the first day of school, and have lots of fun!

If needed, transportation will be provided. Please call 660-269-2663 for information.

We look forward to seeing all of our new students on the 11th of August from 8:00am-2:00pm!

August 11, 2017 - 8am-2pm
