Parade Route

***** Important Change *****

This year's parade will follow the same route that it has in years past but will finish earlier. We will start at the corner of Adams and Johnson (Post Office/Park) then go down Reed, turn left on Clark, and turn left on Coates ending at Williams.

Parade Positions

Once all entries have been received, we will assign that entry a number. Those numbers will be marked on the street. You will receive a phone call/email from us to let you know what number your entry is. We will start lining up at the corner of Adams and Johnson and then move west toward MACC down Adams onto Reed.

We do ask that when you do start to line up that you enter Reed St. from the west, by MACC, then move east on Reed St. until you find your number on the left side of the road. This is to keep traffic flowing.

REMIND ALL PARADE PARTICIPANTS THAT VEHICLES OF ANY KIND WILL NOT BE ALLOWED TO DRIVE WEST ON TO REED STREET. ALL TRAFFIC MUST MOVE EAST.

If you have any questions feel free to contact me at patrickmcguire@moberlyspartans.org or 269-2660.
